

Kixxx

ATF Multi

Top Performance Multi-vehicle
Automatic Transmission Fluid

Description: High performance, High-quality Multi-Vehicle Fluid for Automatic Transmissions. Specially formulated fluid designed to meet the requirements of a wide range of automatic transmission specifications requiring SP-5, SP-6, DEXRON 8, MERCON V, Allison C-4, Toyota T-8 and TV. Applies to City Controlled Lock-Up Clutch.

Application: Kixxx ATF Multi is suitable for automatic transmissions manufactured many OEMs including GM, Ford, Toyota, Honda, Nissan, Honda, Subaru, Suzuki, Mazda, etc.

Caution: Avoid skin and eye contact. Wash thoroughly when contacted. Do not swallow. Consult doctor immediately if swallowed. Dispose used oil and container only to collection centers. Do not store near fire or other open area.
